Pay to Play Policy 2020-2021 (U6-U16 Teams)

To ensure club & league registration & membership fees are paid in line with the club's annual payment terms, each member must sign the Pay-to-Play club policy that records their agreement to the annual season's fees and payment terms in relation to the appropriate team they (or their children) are members of.

Pay to Play Policy Guidelines:

1. All players (parents/guardians) must sign the Pay-to-Play Policy as part of the annual club membership registration process. Failure to sign the policy will result in automatic de-selection / suspension, until the policy is signed and fees paid
 - a. Payment Terms are supplied at point of registration annually and are included in this document within 'Payment Terms' section below
2. Failure to pay fees in line with payment terms could result in the player being de-selected from a team squad and suspension from training until all fees are paid up in line with the payment terms
3. Team coaches will notify any player (or parent/guardian) if payment terms have been breached. The player will be given a verbal two week 'suspension delay period' to ensure the player has the opportunity to pay all outstanding fees prior to introduction of any de-selection / suspension
4. If payment of fees is outstanding following the two week suspension delay period, the player will be formally notified that they have been de-selected from the team squad and suspended from attending training
5. Where the player (parents/guardian) deems the de-selection / suspension to be unfairly introduced, they can raise a formal grievance to the club's management committee. The grievance should be raised in writing to the Team Manager and / or Club Secretary
6. Should a formal grievance be raised, the de-selection / suspension period will be postponed until the management committee have reviewed the case and agreed the appropriate action with the player (parent/guardian). At this point, any fees due must be paid immediately or de-selection / suspension will be instantly invoked
7. Any payment concerns should be discussed with the Team Manager and / or Club Secretary immediately
8. All charges incurred as a result of failed payments (e.g. bounced cheques) will be charged back to the payer (i.e. payment originator)

In signing this policy I am agreeing to pay Sedlescombe Rangers FC annual club and league subscription fees in line with above guidelines, payment terms and dates set by the management committee and understand the consequences of non-payment.
